Narrative

On 5-8-17 at approximately 1201 hours I was dispatched to an assault call located at 12844 Military Road South (Cascade Behavioral). An employee [REDACTED] advised a patient ([REDACTED]) had assaulted another patient ([REDACTED]).

I arrived at the location and contacted [REDACTED] inside the hospital. [REDACTED] led me up to the 3rd floor ward where I spoke with [REDACTED] and a nurse from 3rd ward. The nurse told me that [REDACTED] had been in an escalated state the entire morning and had been causing somewhat of a disturbance in the ward. The nurse said that another employee was attempting to verbally de-escalate the situation and during his attempt, [REDACTED] was repeatedly slapping him over the head with an open hand. According to the nurse, [REDACTED] was standing over the employee while the employee was sitting in a chair when he was slapping him.

The nurse said that during the incident, [REDACTED] came out from his and punched [REDACTED] in the face. The nurse told me she believed "[REDACTED] knew what he was doing" and that the assault was not attributed to [REDACTED]'s mental illness.

After speaking to the nurse I spoke to [REDACTED]. [REDACTED] told me throughout the morning [REDACTED] had been "acting like an asshole" and running around the ward naked. [REDACTED] said that one of the employees attempted to calm down [REDACTED]. [REDACTED] said he saw [REDACTED] punching the employee over the head with hammer fists. [REDACTED] said that he ran over and punched [REDACTED] in the face to stop him from assaulting the employee.

Hospital staff told me [REDACTED] had been transported to Valley Medical Center before my arrival. They also advised me [REDACTED] said he wanted to provide a statement before he left. I provided [REDACTED] with my business card and told her to have [REDACTED] contact me as soon as he returned from VMC in order for me to obtain a statement from him.

I have no further information to report regarding this incident.
